Who We Are

Founded in 2006, the Dane County Area Genealogical Society is a non-profit organization of individuals who are interested in genealogy.

The Society holds monthly meetings to foster and increase interest in both traditional **and** computer assisted genealogy. A variety of programs are presented during the year. These range from formal lectures to Show and Tell sessions.

Members receive a bi-monthly newsletter with information and articles on resources for genealogists, including internet resources, articles by local experts, genealogical software programs, and a list of upcoming events.

The Society welcomes genealogy members of all levels of experience! Join us as we search for our ancestors. Share the interesting stories of your family's history with fellow researchers. Network with others to learn about new resources to tap into and find someone to help you brake down those brick walls.

The monthly meetings are held on the 2nd Saturday of the month at the Church of Jesus Christ of Latter-day Saints, at the corner of Regent Street & Segoe Road Madison, WI.

See you there!

Top 5 Reasons Why You Should Join

1. **Network and gather** with people interested in family history!
2. **Receive** bi-monthly newsletters filled with information to help break down walls and to extend your research!
3. **Attend** monthly presentations by local and nationally-known genealogists!
4. **Share** your newest genealogical research successes at our December Show and Tell!
5. **Explore** genealogical destinations on our July field trip!

The purpose of the organization shall be charitable and educational. It aims to provide an association of persons interested in genealogy, to assist them in their personal genealogy pursuits by means of holding meetings for instruction and pleasure.
